

I claim:

1. A pet furniture item, comprising:

a sanitary compartment for receiving a litter box therein;

a feeding compartment being separate from said sanitary compartment;

a storage compartment being separate from said sanitary compartment and said feeding compartment; and

a litter container for storing clean unused litter to be dispensed into the litter box.

2. The item of furniture according to claim 1, wherein said litter container is a litter drawer.

3. The item of furniture according to claim 2 wherein said litter drawer has a slanted bottom region and a litter dispensing hose is attached to said litter drawer at said slanted bottom region.

4. The item of furniture according to claim 3, further comprising a cap for sealing said litter dispensing hose.

5. The item of furniture according to claim 4, further comprising a holding device for said litter dispensing hose.
6. The item of furniture according to claim 1, further comprising a pull-out tray disposed in said sanitary compartment for holding the litter box.
7. The item of furniture according to claim 1, further comprising a pull-out tray disposed in said feeding compartment for holding a food dish and a water dish.
8. The item of furniture according to claim 1, wherein said feeding compartment and said sanitary compartment are separated by a wall.
9. The item of furniture according to claim 1, wherein said feeding compartment and said storage compartment are separated by a shelf.
10. The item of furniture according to claim 1, further comprising a countertop including an openable portion and a fixed portion.

11. The item of furniture according to claim 10, wherein said storage compartment is accessible through said openable portion of said countertop.

12. The item of furniture according to claim 10, further comprising a bed disposed on top of said fixed portion of said counter top.

13. The item of furniture according to claim 12, further comprising at least one pole being a scratching post and supporting said bed.

14. The item of furniture according to claim 13, wherein said at least one pole is two poles each have brackets for supporting said bed.

15. The item of furniture according to claim 14, further comprising a hammock suspended from said brackets.

16. The item of furniture according to claim 1, further comprising a supply holder disposed in said sanitary compartment.

17. The item of furniture according to claim 1, further comprising two hooks disposed in said sanitary compartment for holding a litter disposal bag.

18. The item of furniture according to claim 1, further comprising at least one door for closing said sanitary compartment, said at least one door having at least one pet entrance opening formed therein.

19. The item of furniture according to claim 18, wherein said at least one door is two doors each having a complementary one of said openings formed therein.

20. The item of furniture according to claim 1, further comprising a roll top door for closing said feeding compartment.

21. A pet furniture item, comprising:       ✓

a sanitary compartment for receiving a litter box therein;

a feeding compartment being separate from said sanitary compartment;

a litter container having a slanted bottom region, said litter container storing clean unused litter to be dispensed into the litter box; and

a litter dispenser attached to said litter container at said slanted bottom region.

22. The item of furniture according to claim 21, wherein said litter dispenser is a hose.

23. A pet furniture item, comprising:

a sanitary compartment for receiving a litter box therein;

a litter container having a slanted bottom region, said litter container storing clean unused litter to be dispensed into the litter box; and

a litter dispenser attached to said litter container at said slanted bottom region.

24. The item of furniture according to claim 23, wherein said litter dispenser is a hose.
